The Women of UCI
Lunchtime Seminar Series

Featuring Brenda Drake
Wife of Chancellor Michael V. Drake

UCI faculty and staff (men are welcome, too) are invited to join us for this popular speaker series focused on the challenges and triumphs faced by some of UC Irvine’s most successful women as they inspire us in our own life’s path.

Mrs. Drake continues the 2013-14 series with a discussion of her career as a lawyer, foundation executive and community activist. Mrs. Drake will also share some of her personal insights for aspiring employees both on the academic and staff side of the campus.

Don’t miss this unique opportunity!
