Do you secretly worry that others will find out you’re not as intelligent and competent as they seem to think you are?

Do you dismiss your accomplishments as a “fluke” or “no big deal?”

Do you think, “If I can do it, anyone can”?

Do you sometimes shy away from taking on even greater challenges because of nagging self-doubt?

Are you crushed by even constructive criticism, taking it as evidence of your ineptness? If so, join the club!
